# Rawlinsons - Add User and Assign Pubications

## Click on "Login" to login to the portal

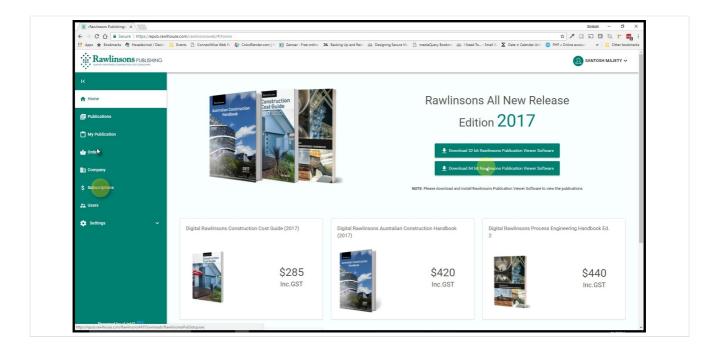

The publication portal is hosted at the following location - https://epub.rawlhouse.com/rawlinsonsweb

Enter your username and the autogenerated system password which you would have received if it is your first login.

Additionally, if you have changed your password then use the password accordingly

## Click on "Subscriptions" link

Subscriptions page outlines your purchased subscriptions, along with the number of licenses that you have purchased for the digital publication.

You are able to assign the users by clicking on the subscriptions of choice and assigning the appropriate users.

The portal is designed with concurrent licensing in mind. You can create unlimited users but access to your publication is limited to the number of licenses that you have purchased.

# Click on "Subscriptions" listed to view the assigned users

This privilege is only available to the system administrator or the licensee user of the organisation.

Select an appropriate role for the new user. You will have two choices - Licensee User and General User.

In this example we will create a General User who only has the privilege of viewing the assigned publications.

Click on "General User" to assign an appropriate role
